Eco-Mobility 2019 - 14th international A3PS Conference

14-15 November 2019, Vienna

The topic of the 14th international A3PS conference on 14-15 November 2019 in Vienna is Diverse Powertrain Concepts for a carbon-neutral future.

Eco-Mobility 2019 will discuss the impacts of different propulsion system solutions and provide in-depth information on latest developments and innovative strategies. Leading representatives from industry, R&D and technology policy will report on the activities and strategies for the successful development and market introduction of advanced propulsion systems and fuels.
